**Step 11 :** Click on I agree with above user consent and eSign terms and conditions and Select authentication type to continue and Click on **OTP**

Consent Authentication Form

I hereby state that I have no objection in authenticating myself with Aadhaar based authentication system and consent to providing my Aadhaar number along with the authentication details for the purposes of availing "Application request to obtain a NOC to repair" by eSigning Application form and Enclosure(s). I understand that the OTP I provide for authentication shall be used only for authenticating my identity through the Aadhaar Authentication system, for obtaining my e-KYC through Aadhaar e-KYC service and for the issuance of Digital Signature Certificate (DSC) for this specific transaction and for no other purposes. For the creation of DSC, I understand that the options that I have chosen are the ones that shall be populated in the DSC generated by the CA and I provide my consent for the same. I also understand that the following fields in the DSC generated by the CA are mandatory and I give my consent for using the Aadhaar provided e-KYC information to populate the corresponding fields in the DSC.

1. Common Name (name as obtained from e-KYC)
2. Unique Identifier (hash of Aadhaar number)
3. Pseudonym (unique code sent by UIDAI in e-KYC response)
4. State or Province (state as obtained from e-KYC)
5. Postal Code (postal code as obtained from e-KYC)
6. Telephone Number (hash of phone as obtained from e-KYC)

I understand that ServicePlus shall ensure security and confidentiality of my personal identity data provided for the purpose of Aadhaar based authentication.

I agree with above user consent and eSign terms and conditions

Select authentication type to continue

**OTP** Download Document

**Step 12 :** Enter Aadhar Number and click on get OTP
