Hard Inspection of MSV

Step 1: Enter the login details

The screenshot shows the login page for the Ports and Inland Water Transport Department. The page has a green header with the department's name in Kannada and English, and a logo on the right. Below the header, there are two main sections: "Apply for Service" and "Check Your Application Status".

Apply for Service: This section contains a form with the following fields: "Mobile No" (text input), "OTP/Password" (text input with a toggle for visibility), a "Get OTP" button, a CAPTCHA image showing "4bF7d5", a "Type here" input field, and a refresh button. Below the form are links for "Forgot Password" and "New user? Register here", and a "Submit" button.

Check Your Application Status: This section contains a form with the following fields: "Select Department" (dropdown menu), "Select Service" (dropdown menu), and "Enter your Application ID" (text input). Below the form is a "Check Status Now" button.

At the bottom of the page, there is a footer with "© All Rights Reserved" and "Powered by SERVICEPLUS".

Step 2 : Citizen Login will be displayed

The screenshot shows the citizen login page for the Ports and Inland Water Transport Department. The page has a blue header with the department's name in Kannada and English, and a logo on the right. Below the header, there is a "Menu" on the left side with options: "Apply for services", "View Status of Application", and "Messages & Alerts".

The main content area is titled "ABOUT SERVICE PLUS" and "Welcome to Service Plus". It contains a paragraph describing the Service Plus application and a list of salient features of the software:

1. Regulatory Services: Regulatory services are services like trade licence, permit for construction of a building etc that can be denied by the Government.
2. Statutory Services: Statutory services are services like Issuance of Birth/Death certificate which cannot be refused by Government.
3. Developmental Services: Developmental Services are services or schemes provided by Government for the benefit of citizens like NREGS, IAY, Old age Pension etc.

The following are the salient features of the software -

1. Service(s) will be created online
2. Citizens will be submitting applications online
3. Service units will be able to receive application online
4. Service units will be able to verify documents and application fee online
5. Service units will be able to escalate application to some other person, in the case of absence of dealing authority, online
6. Citizens will be monitoring Application status online
7. Private Service Access Providers will be participating in the application receipt/submission and service delivery process online message.ekyc.add.mapping*Please add atleast one mapping

At the bottom of the page, there is a footer with "© All Rights Reserved" and "Powered by SERVICEPLUS".

Step 3 : Search the required service and click to open
