ABOUT SERVICE PLUS

Welcome to Service Plus

ServicePlus is a generic application to provide an electronic delivery for all the services provided by The Government to The citizen. The Government of India, State Governments and Local Governments are providing various services to benefit the citizens at Centre, State or Local level primarily Government to Citizen (G2C) and Government to Business (G2B). The services provided are either demand driven or mandated by the legislation. The services provided by Government can be categorized as:

- Regulatory Services: Regulatory services are services like trade licence, permit for construction of a building etc that can be denied by the Government.
- Statutory Services: Statutory services are services like Issuance of Birth/Death certificate which cannot be refused by Government.
- Developmental Services: Developmental Services are services or schemes provided by Government for the benefit of citizens like NREGS, IAY, Old age Pension etc.

The following are the salient features of the software -

- Service(s) will be created online
- Citizens will be submitting applications online
- Service units will be able to receive application online
- Service units will be able to verify documents and application fee online
- Service units will be able to escalate application to some other person, in the case of absence of dealing authority, online
- Citizens will be monitoring Application status online
- Private Service Access Providers will be participating in the application receipt/submission and service delivery process online message.ekyc.add.mapping=Please add atleast one mapping
